Our mission: Is to provide a safe and nurturing environment where all students can learn to achieve success.

**Our motto:** Discendo Floremus - 2019

BELICKS community school is a private community school with two campuses at Kyekyewere in the Adansi North District Assembly and Kunka junction in the Obuasi municipal Assembly the largest golden city of Ashanti. The school runs from Pre -school through to Senior High.

The school does not discriminate on the basis of race, gender, religion, ethnicity, culture, family structure, financial resources or disability in the world that does much to promote conformity. Our children attend school with a collage of individual in a setting that encourages and nurtures individual expressions. The school provides a safe place for all of us to be ourselves, and a rich opportunity to appreciate the diversity of others.

### **PHILOSOPHY OF THE SCHOOL**

A respect for the right and freedom of every individual is integral to everything we do. The spirit of the school's philosophy and goals is reflected in the values, attitudes and actions of all staff and members.

It is believed that education is a shared responsibility among teachers, pupils and parents with a common purpose. The school's community shall serve as a model within which pupils develop a sense of responsibility and concern for themselves, the environment and society at large. Confidence, self-respect and self-worth are developed when pupils are given the opportunity to explore their own potentials within the framework of a multicultural society or environment.

### **GOALS OF THE SCHOOL**

We are committed to:

- Striving for continuous improvement in pupil's academic performance in partnership with parents, and other stakeholders.
- Empowering pupils to be independent thinkers and lifelong learners.
- Fulfilling our role as a key partner in the development of Obuasi in the wake of a troubled gold mine- Obuasi after gold.
- Setting the pace in championing the cause of quality education in the community.

### **MORAL DEVELOPMENT**

The moral development of our pupils is also a chief concern. Our children are exposed to programmes that address such topics as decision-making and accountability. The school's motto "Discendo Floremus

with interpretation as “**through learning we flourish**” prepares our students to attain a higher sense of good morals to fit into the society. Our expectation is that each child will give his best and we place great emphasis on good manners, diligence, respect, self-discipline, integrity and compassion.
